

CONE Midstream Schedules Earnings Release and Conference Call for Second Quarter 2017 Results

July 13, 2017

CANONSBURG, Pa., July 13, 2017 (GLOBE NEWSWIRE) -- CONE Midstream Partners LP (NYSE:CNNX) today announced that it will release financial results for the second quarter 2017 before market opening on Monday, August 7, 2017 and hold a conference call to discuss those results on the same day at 11:00 a.m. Eastern Time. The conference call will be publicly available via webcast on a live and replay basis.

Interested parties are invited to listen to the conference call, during which prepared remarks by John T. Lewis, Chief Executive Officer, and other members of management will be followed by a question and answer session. Participants who would like to ask questions during the conference call may join by phone. Individuals who intend to listen only are encouraged to join the conference via the Internet.

Event: Conference call to discuss second quarter 2017 financial and operating results.

Time: August 7, 2017 at 11:00 a.m. Eastern Time.

Internet: The webcast may be accessed directly at <http://services.choruscall.com/links/cnnx170807.html> or from the link posted on the "Events" page of our website, www.conemidstream.com.

Phone: Dial 888-349-0097 (international 412-902-0126) five to ten minutes before the scheduled start of the conference call and reference the CONE Midstream Partners call.

Replay: An on-demand replay of the webcast will also be available shortly after the webcast at <http://services.choruscall.com/links/cnnx170807.html>. A telephonic replay of the call will be available through August 21, 2017. The replay can be accessed by dialing toll free 877-344-7529 (international: 412-317-0088) and using the replay code 10110565.

CONE Midstream Partners is a growth-oriented master limited partnership that owns, operates, develops and acquires gathering and other midstream energy assets to service natural gas production in the Appalachian Basin in Pennsylvania and West Virginia. Our assets include natural gas gathering pipelines and compression and dehydration facilities, as well as condensate gathering, collection, separation and stabilization facilities. More information is available at our website www.conemidstream.com.
