

CONE Midstream Schedules Earnings Release And Conference Call For Third Quarter Results

October 21, 2014

CANONSBURG, Pa., Oct. 21, 2014 /PRNewswire/ -- CONE Midstream Partners LP (NYSE: CNX) today announced that it will release financial results for the third quarter of 2014 before market opening on Thursday, October 30, 2014 and hold a conference call to discuss those results on the same day at 10:30 a.m. Eastern Daylight Time. The conference call will be publicly available via webcast on a live and replay basis.

Interested parties are invited to listen to the conference call, during which prepared remarks by John T. Lewis, Chairman and Chief Executive Officer, and other members of management will be followed by a question and answer session. Participants who would like to ask questions during the conference call may join by phone. Individuals who intend to listen only are encouraged to join the conference via the Internet.

Event: Conference call to discuss third quarter 2014 financial and operating results.
Time: October 30, 2014 at 10:30 a.m. Eastern Daylight Time.
Internet: The webcast may be accessed directly at <http://www.videonewswire.com/event.asp?id=100717>. Listeners are encouraged to log on approximately 10 minutes prior to the scheduled start of the call to download and install or test any necessary audio software.
Phone: Dial 877-870-4263 (international 412-317-0790) five to ten minutes before the scheduled start of the conference call and reference the CONE Midstream Partners call.
Replay: An on-demand replay of the webcast will also be available at <http://www.videonewswire.com/event.asp?id=100717> shortly after the webcast. A telephonic replay of the call will be available through November 7, 2014. The replay can be accessed by dialing toll free 877-344-7529 (international: 412-317-0088) and using the replay code 10054321.

CONE Midstream Partners is a growth-oriented master limited partnership recently formed by CONSOL and Noble Energy, whom we refer to as our Sponsors, to own, operate, develop and acquire natural gas gathering and other midstream energy assets to service our Sponsors' rapidly growing production in the Marcellus Shale in Pennsylvania and West Virginia. Our initial assets include natural gas gathering pipelines and compression and dehydration facilities, as well as condensate gathering, collection, separation and stabilization facilities.
